PA-53

Sewickley Bridge

Master Photo List

Spanning the Ohio River in the vicinity of Sewickley Borough in Allegheny County, Pennsylvania.

Photos taken by Ron Lowe, July 1979.

HAER PA-53-1	East elevation oblique, looking south.
PA-53-2	Elevation view looking downstream.
PA-53-3	Elevation view looking upstream.
PA-53-4	Elevation view, south approach looking west.
PA-53-5	Elevation view, north approach looking west.
PA-53-6	Main span portal, looking north.
PA-53-7	Main span framing, looking north.
PA-53-8	Main span tower framing at pier 3.
PA-53-9	Main span top chord bracing of pier 2.
PA-53-10	Pinnacle at top of pier 3 tower, west truss.
PA-53-11	Elevation view, north abutment.
PA-53-12	North approach spans.
PA-53-13	Anchor bearing at west end of pier 4.
PA-53-14	West end elevation of pier 4.
PA-53-15	North elevation of main river pier 3.
PA-53-16	Main truss interior bearings at pier 3.
PA-53-17	Sidewalk support bracket and handrail, east side, looking north.
PA-53-18	Handrail at west side.

PA-53-19	Apron plant and open curb.
PA-53-20	Main-span floorbeam end connection repair.
PA-53-21	Pony truss, bottom chord repair.
PA-53-22	Eyebar repair at panel point 24, west truss.
PA-53-23	West elevation oblique, looking north.
PA-53-24	East elevation oblique, looking north.
PA-53-25	Index of record photographs, keyed to elevation drawing of bridge.
PA-53-26	Measured drawing, February 1978, Title sheet.
PA-53-27	Measured drawing, February 1978, Plan and elevation.
PA-53-28	Measured drawing, February 1978, Typical cross sections.
PA-53-29	Measured drawing, February 1978, Substructure details.
PA-53-30	Measured drawing, February 1978, Location plan (original drawing).
PA-53-31	Measured drawing, February 1978, End anchorage details (main trusses).
PA-53-32	Measured drawing, February 1978, Structure details.
PA-53-33	Photocopy, original design geometry of the structure.
PA-53-34	Photocopy, stress sheet of anchor and cantilever arms.
PA-53-35	Photocopy, stress sheet of suspended span.
PA-53-36	Photocopy, details of upper chord member $U_6 - U_7$.
PA-53-37	Photocopy, details of bottom chord member $L_6 - L_8$.
PA-53-38	Photocopy, details of bottom chord member $L_4 - L_6$.
PA-53-39	Photocopy, details of wind bracing on bottom chords.
PA-53-40	Photocopy, wing traveler.
PA-53-41	Photocopy, creeper traveler at U_{20} (at top) and creeper traveler in advance of P.P. 21 (at bottom).
PA-53-42	Photocopy, Sewickley Bridge and surroundings, 1911.
